## SUMMARY

Senior Product Designer with 13+ years of experience designing enterprise SaaS products, B2B platforms, mobile applications, AI-powered workflows, and scalable design systems. Expert in end-to-end product design spanning discovery, UX research, product strategy, information architecture, interaction design, wireframing, prototyping, visual design, design systems, usability testing, accessibility, and developer handoff. Proven track record partnering with Product Managers, Engineering, QA, and executives to deliver user-centred solutions that simplify complex enterprise workflows. Experienced with Figma, AI-assisted design workflows, design tokens, analytics dashboards, agile product development, and cross-functional leadership.

## CORE COMPETENCIES

• Product Design • Product Strategy • UX Research • User Interviews • Information Architecture  
• Interaction Design • User Flows • Wireframing • Prototyping • Figma • Design Systems  
• Component Libraries • Design Tokens • Accessibility (WCAG) • Enterprise SaaS • B2B Products  
• AI Product Design • Dashboard Design • Mobile Design • Responsive Design • Agile • Developer Handoff

## EXPERIENCE

### Senior UI/UX Designer | MangoApps

Jan 2022 – Present

- Lead end-to-end product design for enterprise collaboration and employee experience platform.
- Designed web and mobile experiences across Intranet, Chat, LMS, Files, Forms, Calendar, Newsfeed, Communities and Knowledge Management.
- Create wireframes, interactive prototypes and high-fidelity designs in Figma.
- Build and evolve scalable design systems, reusable components and design standards.
- Collaborate daily with Product Managers, Engineering and QA through agile sprint delivery.
- Design AI-powered workflows, analytics dashboards and administrative experiences.

### User Experience Designer | Tata Communications

Jan 2020 – Jan 2022

- Led UX design from discovery to implementation for enterprise applications.
- Created workflows, interaction models, UI specifications and usability guidelines.

- Improved usability through cross-functional collaboration.

#### **Senior UI/UX Designer | MangoApps**

Jan 2015 – Jan 2020

- Delivered enterprise SaaS features from concept to production.
- Created wireframes, prototypes and polished user interfaces.
- Worked closely with engineering to ensure design quality.

#### **UI/UX Designer | Appnocrat Technology (Therapy Box)**

2015

- Designed accessibility-focused mobile applications for users with disabilities.
- Created educational and gamified mobile experiences.

#### **UI/UX Designer | Probity Venture**

Jan 2012 – Jan 2014

- Owned UX strategy, UI design, branding and client delivery across multiple products.

## **EDUCATION**

Bachelor of Engineering (Information Technology)

Fr. Conceicao Rodrigues College of Engineering, Navi Mumbai

## **CERTIFICATIONS**

- Mobile User Experience (UX) Design – Interaction Design Foundation
- Human-Computer Interaction (HCI) – Interaction Design Foundation
- How to Design for Augmented & Virtual Reality – Interaction Design Foundation
